

Quality Assurance Contractor

SERVING YOUR RESNET QA NEEDS

BER offers QA Contractor services to Rating Providers nationwide. Never any travel fees!

As a national provider of technical, educational and Quality Assurance services for Home Energy Raters and building performance professionals throughout the United States, BER is committed to excellence in Quality Assurance.

PROFESSIONAL QUALITY ASSURANCE

Our expertise, professionalism, national presence, and competitive fee structure has led several prominent Rating Providers to use BER for their file & field QA needs. Let the experts in QA at BER help save you time and improve your business.

BER's QAC program promotes efficiency and cost savings by giving our clients a cost-effective way to have well-trained, high value Quality Assurance staff in the field helping improve your operational business prowess and expertise.

Please contact us for fee structure and more information on BER's innovative approach to Contractor QA.
